Dear MSW Students

RE: Permission to enrol in HLTH90002 Practice Based Research

In 2020, the core subject **SCWK90069 Researching Social Work Practice 1** is being replaced with the online subject **HLTH90002 Practice Based Research** in Semester 2. Students will not be able to make this change on their study plan. This change is due to the revised course plans that the Social Work Department has introduced in relation to COVID-19 disruption.

If you are planning on studying the Year Long subject **SCWK90058 Researching Social Work Practice 2** in 2021 and have not yet completed the first research subject **SCWK90069**, then you must enrol in **HLTH90002** in either Term 3 (July) or Term 4 (October) of 2020. **HLTH90002** has been assessed as an appropriate prerequisite for **SCWK90058**, in place of SCWK90069 for 2020.

If you intend to enrol in **HLTH90002** in either Term 3 or Term 4 2020, you will need to submit an [Enrolment Variation Form](#) requesting to be enrolled in **HLTH90002** in place of **SCWK90069**.

Please attach this letter as evidence of approval and this enrolment change will be made for you manually (note: please save as PDF as screenshots are not accepted as supporting documentation).
