PREPARING FOR ORIENTATION

Watch the video describing Billibellary's Walk (2 minutes): <https://player.vimeo.com/video/70757407>

Download the Billibellary's Walk app (<https://murrupbarak.unimelb.edu.au/engage/billibellarys-walk>) and listen to the narrative as you follow the path of the walk on the map provided (the whole walk can take up to a few hours, listen to a few stops that are of interest, keep going if you want to know more). We have **allowed time on Day 1** for students to listen to the walk but students are also encouraged to do the self-guided walk in-person when they are able to attend campus.

Read through your *MSW Course Manual*, available on the MSW Community canvas site at: https://canvas.lms.unimelb.edu.au/courses/145170/pages/msw-course-manual-2022?module_item_id=3448680

Note all the information available to you in the *MSW Course Manual* and bring any questions or elements you want to clarify.

Read through the '*Guide to the tech and online platforms*', available on the MSW Community canvas site at: https://canvas.lms.unimelb.edu.au/courses/145170/pages/guide-to-online-platforms?module_item_id=3515947

For **students new to Zoom** test the Zoom link you have been sent to ensure your video and audio are working for the orientation sessions. Secure, if you can, a space where you can focus on what is being presented and participate when required.
